Bring Me the Heads

Amen

Bring me the head of Roman Polanski
Bring me the legs of Fred AstaireWe come from a place called heaven
That you made hell, that you can sell
We set fires to this lesson
That heavens sell, that lesson failedWar, we need this war
War, we need this war
Right onBring me the head of Roman Polanski
Bring me the legs of Fred AstaireWe come from this hell called heaven
That vision's held, that vision killed
We set fires to your lessons
Your babies kill, your babies guiltWar, we need this war
War, we need this war
Right onSell it now, selling out
Everyone you know is selling out
Sell it now, selling out
Everyone you know is selling outCause theres a war and you believe it
Cause theres a war and you dont care
Sell it all, sell it now, sell it nowCause theres a war and you dont see it
Cause theres a war and you dont careSell it now, selling out
Everyone you know is selling out
Sell it now, selling out
Everyone you know is selling outBring me the head of Roman Polanski
Bring me the legs of Fred Astaire
