The Logical Song

Joe Crookston

When I was young it seemed that life was so wonderful
A miracle oh it was beautiful, magical
And all the birds in the trees well they could sing so happily
So joyfully oh playfully watching me
Good morning yeah one, two, one, two, three, four
Pump it up aah
RMB no let me no skip me no fame yeah
With me jam for the microphone I'm busy with the DJ
Jungless in the place jungless on the case
Scooter are you ready?
When I was young it seemed that life was so wonderful
A miracle oh it was beautiful, magical
And all the birds in the trees well they could sing so happily
So joyfully oh playfully watching me
Yeah
When I was young it seemed that life was so wonderful

A miracle oh it was beautiful, magical
And all the birds in the trees well they could sing so happily
So joyfully oh playfully watching me
Come on
Love peace and unity Siberia the place to be
The K the L the F anthology Hallelujah
One, two, one, two, three yeah
Rough, aah, here we go
When I was young it seemed that life was so wonderful
A miracle oh it was beautiful, magical
And all the birds in the trees well they could sing so happily
So joyfully oh playfully watching me
Stand up, once again, we're getting jiggy
Siberia yeah goodbye
