

Superman (Scrubs Theme)

Lazlo Bane

Out the door just in time
Head down the 405
Gotta meet the new boss by 8 amThe phone rings in the car
The wife is working hard
She's running late tonight againWel
I know what I've been told
You gotta work to feed the soul
But I can't do this all on my own
No, I know I'm no Superman
I'm no SupermanYou've got your love online
You think you're doing fine
But you're just plugged into the wall
And that deck of tarot cards
Won't get you very far
There ain't no hand to break your fallWell
I know what I've been told
You gotta know just when to fold
But I can't do this all on my own
No, I know I'm no Superman
I'm no SupermanThat's rightYou've crossed the finish line
Won the race but lost your mind
Was it worth it after allI need you here with me
Cause love is all we need
Just take a hold of the hand that breaks the fall
Well I know what I've been told
Gotta break free to break the mold
But I can't do this all on my own
No I can't do this all on my own
I know that I'm no Superman
I'm no Superman
Someday we'll be together
I'm no Superman
Someday, someday
Someday we'll be together
Someday
I'm no Superman
