Moral Threat

The Huntingtons

i don't understand why don't like me (?)
(?)
(?)
(?)a moral threat to you (that's how you see it)
a moral threat to you (and you don't need it)
a moral threat to you (that's how you want it)
a moral threat to youi don't use the right words and my attitude is bad
when i don't get what i wanted it gets me really mad
you spread the stupid lies over the community
(???)(?)
(?)
(?)
