

Moral Threat

The Huntingtons

i don't understand why don't like me (?)

(?)

(?)

(?)a moral threat to you (that's how you see it)

a moral threat to you (and you don't need it)

a moral threat to you (that's how you want it)

a moral threat to youi don't use the right words and my attitude is bad

when i don't get what i wanted it gets me really mad

you spread the stupid lies over the community

(???)(?)
