One Day at a Time

Athenaeum

You don't know what I have been through
Trying to turn these wrongs to right
When I think of all the bad times that we've been through
I know that we were not so kind.But you're still my ballerina
whatever you choose, so I hope you remember
sometimes to win we must lose one another
so maybe we should take it one day at a time.
take it one day at a time.You don't know the eyes which have seen you
Visions i would never share.
You must think the road that I have traveled
is broken beyond repairBut you're still my ballerina
Whatever you choose, so i hope you remember
Sometimes to win we must lose one another
So maybe we should take it one day at a time
One day at a time, take it one day at time
One day at a time, take it one day at a time.
Take it one day at a time, yeah, one day at a time.
