

# Too Far Gone

Lisa Scott-Lee

Heaven come on  
Don't try to catch me  
When I fall  
I don't belong  
You won't even hear me  
When I call  
Touch down  
There's no warning  
Just my spirit falling  
Falling  
Something's wrong  
You don't want to hear  
The things I know  
Too far gone  
Gone so far  
There's no where left to go  
Touch down  
There's no warning  
Just my spirit falling  
Something's wrong  
You don't want to hear  
The things I know  
Too far gone  
Gone so far  
There's no where left to go  
Get me out of the here and now  
I want to be another here  
Another  
Set me up 'cos I know how  
It's easy  
Sucker-sucker-sucker  
Sucker-sucker-sucker  
Sucker-sucker-sucker  
Shooting stars  
Love the way they burn  
Inside your eyes  
From here to the end  
Burning up the cold  
And lonely sky

Touch down  
There's no warning  
Just my spirit falling  
Something's wrong  
You don't want to hear  
The things I know  
Too far gone  
Gone so far  
There's no where left to go  
Get me out of the here and now  
I want to be another here  
Another  
Set me up 'cos I know how  
It's easy

Sucker-sucker-sucker  
Sucker-sucker-sucker  
Sucker-sucker-sucker  
Heaven come on  
Don't try to catch me  
When I fall  
I don't belong  
You won't even hear me  
When I call  
When I call  
When I call  
When I call  
Something's wrong  
You don't want to hear  
The things I know  
Too far gone  
Gone so far  
There's no where left to go  
Get me out of the here and now  
I want to be another here  
Another  
Set me up 'cos I know how  
It's easy  
Sucker-sucker-sucker  
Sucker-sucker-sucker  
Sucker-sucker-sucker  
Heaven come on  
Come on  
Come on  
Come on

Come on  
Come on  
Come on  
Heaven come on  
Heaven come on  
Heaven come on  
Heaven come on  
Heaven come on
