

Replaceable

Taio Cruz

Don't think I Won't
Don't think I Won't
Don't think I Won't
Don't think I Won't
Cuz you're replaceable, replaceable
So don't you ever ever get too comfortable
Cuz you're replaceable, replaceable
So don't you ever ever get too comfortable
All it takes is just one more lie
One more small indiscretion
I don't wanna hear your alibi
I don't wanna hear your confession
You know I love you
But don't forget it's true
That you're replaceable, replaceable
So don't you ever ever get too comfortable
Cuz you're replaceable, replaceable
So don't you ever ever get too comfortable
Cuz I can easily, easily, easily
Oh so easily, easily, easily, change you!
Cuz I can easily, easily, easily
Oh so easily, easily, easily, change you!
Don't think I Won't
Don't think I Won't
Don't think I Won't
Don't think I Won't
So many try to hold my mind
Try hard just to be a part of me

But you act with your single plan
So why shouldn't I take my heart with me
You know I love you
But don't forget it's true
Cuz you're replaceable, replaceable
So don't you ever ever get too comfortable
Cuz you're replaceable, replaceable
So don't you ever ever get too comfortable
Cuz I can easily, easily, easily
Oh so easily, easily, easily, change you!

Cuz I can easily, easily, easily
Oh so easily, easily, easily, change you!
Cuz right now you are walking on dangerous ground
This could be over if you keep playing around
I'm keepin' it ice, keepin' it diamong, keepin' it crystal clear
You are interchangeable
Baby it's unmistakeable
You're replaceable, replaceable
So don't you ever ever get too comfortable
Cuz you're replaceable, replaceable
So don't you ever ever get too comfortable
Cuz I can easily, easily, easily
Oh so easily, easily, easily, change you!
Cuz I can easily, easily, easily
Oh so easily, easily, easily, change you!
Don't think I Won't
Don't think I Won't
Don't think I Won't
Don't think I Won't
