

# Hands Up

## Hedley

Ahh-Yeah  
Oh my God, something is wrong  
I'm floatin' down a river where I don't belong  
With out you  
'Cause if I fall with out you  
Now I see it's all clear to me  
I could do a lot of things, but I could never be  
With out you  
'Cause if I fall with out you And you pick me up when I am down  
(Pick me up)  
And you make me smile  
So hands up, take it all away  
If I got you then I'll be okay  
I know, now everybody say  
If I got you I like it that way Ohhh-ohh  
Oh my God, nothing is fine  
I'll go a little crazy 'cause I'm losin' my mind  
With out you  
'Cause if I fall with out you  
(If I fall)  
Come what may all I gotta say  
I could have a lot of fun, but I don't wanna play  
With out you  
'Cause if I fall with out you  
(wooh!) You pick me up when I am down  
(Pick me up now)  
And you make me smile  
So hands up take it all away  
If I got you then I'll be okay  
I know, now everybody say  
If I got you I like it that way  
If I got you I like it With out you  
I don't got a reason  
With out you  
I don't got a soul  
(I don't got a soul)  
For all my days  
I live to praise  
You make me wanna

Scream and shout it out  
It's all I gotta say Ahhh-nahhh  
Hands up  
Take it all away  
If I got you then I'll be ok  
I know, now everybody say  
If I got you I like it that way  
Hands up  
Take it all away  
If I got you then I'll be ok  
I know, now everybody say  
If I got you I like it that way  
If I got you then I'll be ok  
If I got you I like it that way
