

Love Me or Leave Me

Rod Stewart

This suspense is killin' me
I can't stand uncertainty
Tell me now, I've got to know
Whether you want me to stay or go Love me or leave me and let me be lonely
You won't believe me but I love you only
I'd rather be lonely than happy with somebody else You might find the night time's the right time for kissin'
But night time is my time for just reminiscin'
Regrettin' instead of forgettin' with somebody else There'll be no one unless that someone is you
I intend to be independently blue I want your love but I don't wanna borrow
To have it today and give back tomorrow
My love is your love, there's no love for nobody else
Nobody else Oh, yeah
Ooh
Love me, baby, or leave me, baby
I can't love no one else There'll be no one unless that someone is you
I intend to be independently blue I want your love but I don't wanna borrow
To have it today and to give back tomorrow
My love is your love, there's no love for nobody else
There's no love for nobody else My love is your love, honest, honey
My love is your love, honest, honey
'Cause I love you, baby, I love you, baby
I love you, baby
