Outta Sight

Riverdales

Well, I remember you
From a different occasion
And you remember me
You said I wasn't your kind
Oh, but baby, baby, baby
I think we'd have a good time
You got the savoir faire
Of a seasoned vet
I need a love affair
But I ain't seen nothin' yet
See, we could go out
And I could flip the bill
But when we get home, girl
You know how you gotta make me feel
Oh, but baby, baby, baby
I think we'd have a good time
Oww
Your whole demeanor is outta sight
You got me wonderin?
Won't you come home with me tonight
That type of body
I pictured it with no clothes
But when it went down
Down, down, down, down
I guess I got scared and I froze
Oh, but baby, baby, baby
I think we'd have a good time
Mmm, baby, baby, baby
I think we'd have a good time
