

Bodies

The Bodies

Let the bodies hit the floor
Let the bodies hit the floor
Let the bodies hit the floor
Let the bodies hit the...
floor!!!

Beaten why for (why for) can't take much more

here we go, here we go, here we go now

One - Nothing wrong with me
Two - Nothing wrong with me
Three - Nothing wrong with me
Four - Nothing wrong with me
One - Something's got to give
Two - Something's got to give
Three - Something's got to give
Now!!!(you can't hurt me!)

Let the bodies hit the floor
Let the bodies hit the floor
Let the bodies hit the
Floor!!!

Let the bodies hit the floor
Let the bodies hit the floor
Let the bodies hit the
Floor!!!!
Now!!!

Rush me again
This is the end

here we go, here we go, here we go now

One - Nothing wrong with me
Two - Nothing wrong with me
Three - Nothing wrong with me
Four - Nothing wrong with me
One - Something's got to give
Two - Something's got to give
Three - Something's got to give
Now!!!(you can't hurt me!)(you can't hurt me!)

Let the bodies hit the floor

Let the bodies hit the floor
Let the bodies hit the
Floor!!!
Let the bodies hit the floor
Let the bodies hit the floor
Let the bodies hit the floor
Skin against skin blood and bone
You're all by yourself but you're not alone
You wanted in an' now you're here
Driven by hate consumed by fear

Let the bodies hit the floor
Let the bodies hit the floor
Let the bodies hit the floor
Let the bodies hit the FLOOR!!!

One - Nothing wrong with me
Two - Nothing wrong with me
Three - Nothing wrong with me
Four - Nothing wrong with
One - Something's got to give
Two - Something's got to give
Three - Something's got to give
Now!!!

Let the bodies hit the floor
Let the bodies hit the floor
Let the bodies hit the
Floor!!!
Let the bodies hit the floor
Let the bodies hit the floor
Let the bodies hit the floor
