Sweet Sweet Sleep

Ian Ball

If I ever get caught in the usual situation
Of champagne taste and big pocketbook
I would spend all I own without any reservation
Then get some sweet, sweeter than sweet
Sweeter than sweet, sweet sleepI remember the time when I was in your position
And though I was younger than you, you're always in control
You see the world is a sea of possibility
And you go in deep deeper than deepYes, you were deeper than deep, deep sleep
You send the riot squad in, deeper than deep, deep sleep
You never turn on me, deeper than deep, deep sleep'Cause it's the lonely, it's the lonely life baby
You get more out of it if you put some more into it
It's the feeling, the feeling's not rightIf I wasn't so out of it, I'd put some more into it
If I wasn't so out of it, I'd put some more into it
I would, it's never enough, it's never enoughIf you ever wake up and everybody's changed direction
Would you go with the flow or let them wash you away
If I know you, you'd never move your foundation
And you go in deep deeper than deepYes, you were deeper than deep, deep sleep
You send the riot squad in, deeper than deep, deep sleep
You never turn on me, deeper than deep, deep sleep
Sleep
