Red Lipstick

Trey Songz

Oh, oh, oh
Come here girl
Give me a kiss, yeahValentine's Day came early (yeah)
And whatever you want
Girl you deserve it (yeah)
Cuz you warmer then the summer time
So I hold you through the winter time
And the love inside your eyes
Could turn a cloudy day to sunshineI make a move
Then you make a move
I'm winning your love with nothing to lose
I'm in the mode
If you in the mode
To go in the room and do what we do (yeah)
Its going down (its going down)
I want your body in my arms right now (now, now)Want your pretty red lips, red lips
Girl you know what you do to me
You got that red lipstick on
Baby kiss me til your lipstick gone
Red lips, red lips
You got that red (red, red)
You got that red (red, red)
You got that red lipstick on
Baby kiss me til your lipstick goneYou be my number one
You be my number one
Tell me how you want it done
(Tell me how you want it done)
See baby you my favorite melody
The sound of you is heavenly
I say thank you to the heavens
Cuz I listen to my angel singI make a move
Then you make a move
I'm winning your love with nothing to lose
Im in the mode
If you in the mode
To go in the room and do what we do
Its going down (its going down)
I want your body in my arms right now (now, now)Want your pretty red lips, red lips
Girl you know what you do to me

You got that red lipstick on (on, on)
Baby kiss me til your lipstick gone (OOo)
Red lips, red lips
You got that red (red, red)
You got that red (red, red)
You got that red lipstick on
Baby kiss me til your lipstick goneOoh, nothing ever felt to so right
Cuz I never knew that a touch could taste
And a kiss could feel so good
(There is nothing like)
There's nothing like your lipstick
Taste like candy
Makes me want to work
To make you happy
So please put it on
I love when its on
Now I kiss you girl its gone(Red lips) Girl you know
Girl you know what you do to me (you do)
When you got that red (red) lipstick on (on, on)
