

Rhythm Divine (David Morales Club Mix)

Enrique Iglesias

Escucha el ritmo de tu corazÃ³n
(Feel the rhythm)From the coast of Ipanema
To the Island of Capri
All the way to Kuala Lumpur
I will follow you wherever you may beFrom the moment I first saw you
Knew my heart could not be free
Have to hold you in my arms now
There can never be another for meAll I need is
The rhythm divine
Lost in the music
Your heart will be mine
All I need is
To look in your eyes
Viva la mÃºsica!
Say you'll be mineCan you feel the heat of passion
Can you taste our love's sweet wine
Join the dance and let it happen
Put tomorrow cares right out of your mindAs the music draws you closer
And you fall under my spell
I will catch you in my arms now
Where the night can take us no one can tellAll I need is
The rhythm divine
Lost in the music
Your heart will be mine
All I need is
To look in your eyes
Viva la mÃºsica!
Say you'll be mineGotta have this feeling forever
Gotta live this moment together
Nothing else matters
Just you and the nightFollow on the wings of desire
Now the rhythm's taking you higher
No one can stop us from having it all
You are my heart, you are my soulAll I need is
The rhythm divine
Lost in the music
You're heart will be mineAll I need is
The look in your eyes
Viva la mÃºsica!

Say you'll be mineAll I need is

The rhythm divine

Lost in the music

Your heart will be mineAll I need is

To look in your eyes

Viva la mÃsica!

Say you'll be mineCan you feel the rhythm?

Can you feel the rhythm?

Can you feel the rhythm?

Burning, burningCan you feel the rhythm?

Can you feel the rhythm?

Can you feel the rhythm?

Burning, burningCan you feel the rhythm?

Can you feel the rhythm?

Can you feel the rhythm?

Burning, burningCan you feel the rhythm?

Can you feel the rhythm?

Can you feel the rhythm?

Burning, burning
