Papa

Highway Sisters

81 years, still workinâ€™ just the same
In the fields everyday.
A man like that you donâ€™t find everywhere
Heâ€™ll turn his son into a man, and he did right there.
VERSE 2:
The road weâ€™re on, I think they call it life
Everyday just trying to do it right.
It started in a blink of his eye
The moment it began, on their ride.
CHORUS: (F/G/C â€“ Am/G/C)
When he heard Papa for the first time, it was over.
Baby blues, lookin up at him.
Took it to a whole other level
With an honest heart, and a hard workinâ€™ handâ€¦
His job in life was to raise a manâ€¦.and he did.
VERSE 3:
The bond they share, well it will never break
Strong as oak, still growinâ€™ everyday.
He gave his son everything it takes,
To turn him into the man he is today. *(CHORUS)*
BRIDGE:
(Em/C/Em/C/Am/C/Am/D)
Nothin can take it away from them
40 years later and his boyâ€™s still lookin up to him
As his papa, his rock, he taught him how to liveâ€¦

Heâ€™s everything he hopes to be in
a man.
(BREAK)
(F/G/C â€“ Am/G/C)
CHORUS:
When he heard Papa for the first
time, it was over.
Baby blues, lookin up at him.
Took it to a whole other level
With an honest heart, and a hard
workinâ€™ handâ€¦
His job in life was to raise a
manâ€¦.and he did.
