When I Fall in Love (Stereo)

Cilla Black

When I fall in love
It will be forever
Or I'll never fall in loveIn a restless world like this is
Love is ended before its begun
And too many moonlight kisses
Seem to cool in the warmth of the sunWhen I give my heart
It will be completelyOr I'll never give my heartAnd the moment I can feel that
You feel that way too
Is when I fall in love with youAnd the moment I can feel that
You feel that way too
Is when I fall in love with you
