Blashyrkh (Mighty Ravendark)

Immortal

Far above the Raven Gate
The spread wings of Blashyrkh waitAbove the roaring depths
Sits the oath of frost on the elder Raven ThroneOlder mountains sleeping in my sight
By chilling woods I standA grimly sound of naked winds
Is all that it shall be heard from hereOhhh... BlashyrkhCometh the rightful kings of the highest halls
Cry of ravens lurk the realm
Eternally through the noctambulant grimness!!Demons stride at the gates of Blashyrkh!!!Mighty Raven Dark!!!Blashyrkh's Mighty Raven Dark!!!Blashyrkh....
