When The Night Closes In

Secret Service

Let us take a walk in the citylights'Cause this night is right and time is tight.
Come and take my hand
put your cigarette outI would like to know all about you.A few blocks from here is a boulevard
Where we can find a late night cafe.
We got everything to win when the night closes in.Let me dry your tears
I know what you've been throughBut baby
feel no fear
I've been through it
too.
So just take my hand
take a chance on meThis night belongs to us - you and me.A few blocks from here is a boulevard . . .We got everything to win when the night closes in.
When the night closes in - when the night closes in.
