

# Kid in Love

## Molotov Cocktail Piano

And I know that we just met  
And maybe this is dumb  
But it feels like there was something  
From the moment that we touched  
'Cause, it's alright, it's alright  
I wanna make you mine The way you're lightin' up the room  
Caught the corner of my eye  
We can both sneak out the back door  
We don't have to say goodbye  
'Cause, it's alright, it's alright  
To waste time tonight Maybe I'm just a kid in love  
Maybe I'm just a kid in love  
Oh, baby  
If this is what it's like falling in love  
Then I don't ever wanna grow up  
Maybe I'm just a kid in love  
Maybe I'm just a kid in love  
Oh, baby  
It'd be cool if it's the two of us  
But I don't ever wanna grow up 'Cause I got it all  
Oh  
And I got it all  
But I don't ever wanna grow up Said, your place is kinda cozy  
Your 'rents are out of town  
Baby, there's no pressure  
But if you're down, I'm down  
'Cause, it's alright, it's alright  
Just start tonight If you're feeling kinda crazy  
Turn down the lights  
We can take our time  
Do whatever you like  
It's alright, it's alright  
I wanna make you mine Maybe I'm just a kid in love  
Maybe I'm just a kid in love  
Oh, baby  
If this is what it's like falling in love  
Then I don't ever wanna grow up  
Maybe I'm just a kid in love  
Maybe I'm just a kid in love

Oh, baby  
It'd be fine if it's the two of us  
But I don't ever wanna grow up 'Cause I got it all  
Oh  
And I got it all  
And I don't ever wanna grow up 'Cause I got it all  
Oh  
And I got it all  
But I don't ever wanna grow up You make me feel like I got it all, yeah  
And you make me feel like I'm just a kid in love  
And you make me feel like I got it all  
And you make me feel like I don't ever wanna grow up Maybe we're just kids in love  
Maybe we're just kids in love  
Oh baby  
If this is what it's like falling in love  
Then we don't ever have to grow up  
Maybe we're just kids in love  
Maybe we're just kids in love  
Oh baby  
When we're alone and it's the two of us  
I can't get enough I've got it all, yeah  
I've got it all, yeah  
And I've got it, and I've got it all  
And I've got it, and we've got it all  
And I've got it, and I've got it all  
But I don't ever wanna grow up, ooh yeah
