

Kid Fears (feat. Brandi Carlile)

Indigo Girls

Pain from pearls, hey little girl
How much have you grown?
Pain from pearls, hey little girl
Flowers for the ones you've known Are you on fire
From the years?
What would you give for your
Kid fears? Secret staircase (secret staircase), running high (running high)
You had a hiding place
Secret staircase (secret staircase), running low (running low)
They all know, now you're inside Are you on fire
From the years?
What would you give for your
Kid fears?
Kid fears Skipping stones, we know the price now
Any sin will do
How much further, if you can spin
How much further, if you are smooth Are you on fire (are you on fire)
From the years? (from the years)
What would you give for your
Kid fears? Replace the rent with the stars above
Replace the need with love Replace the anger with the tide
Replace the ones, the ones, the ones, that you love The ones that you love
Are you on fire
From the years?
What would you give for your
Kid fears? Are you on fire
From the years
What would you give for your
Kid fears
What would you give for your
Kid fears
What would you give for your
Kid fears
You can't feel
The kids
