

# You

## Melinda McGlasson

Chorus: It's you, you! You're all that I care about! It's you, you! I won't dare to live without. It's you, you! I want to be like you to see people walk in your truth. It's You, all for You. It's all about You!

Verse 1: It's like everywhere I look people are watching, talking in a glass house they can always see me, every move I make I can feel them, judging the next step I take, will I make it or will I fail... / Why do I care what others think when it's You I long to please!

Verse 2: I see people everyday, they are watching, waiting in a glass house I can see, I look in every move I make, will I judge before knowing the next step I take will I Show the love you showed me / Why do I get focused on me when it's you I long to please?

(Repeat Chorus) Bridge: It's all about You, it's all about You!
