

# 8 Dogs 8 Banjos

## Old Crow Medicine Show

8 dogs, 8 banjos  
8 dogs, 8 banjos  
Tell me what you need in the whole wide world  
Tell me what you need my pretty little girl  
8 dogs, 8 banjos Hot coffee, sweet tea  
Hot coffee, sweet tea  
Tell me what you need in the whole wide world  
Tell me what you need my pretty little girl  
Hot coffee, sweet tea Good loving, hard times  
Good loving, hard times  
Tell me what you need in the whole wide world  
Tell me what you need my pretty little girl  
Good loving, hard times  
8 dogs, 8 banjos  
8 dogs, 8 banjos  
Tell me what you need in the whole wide world  
Tell me what you need my pretty little girl  
8 dogs, 8 banjos Ma'am?  
A family of eight?  
8 dogs and 8 banjos  
Yes ma'am, we're talking happiness here Corn whiskey, dirt weed  
Corn whiskey, dirt weed  
Tell me what you need in the whole wide world  
Tell me what you need my pretty little girl  
Corn whiskey, dirt weed  
All morning, all night  
All morning, all night  
Come on boy don't hesitate  
Kiss a pretty girl before it's too late  
All morning, all night 8 dogs, 8 banjos  
8 dogs, 8 banjos  
Tell me what you need in the whole wide world  
Tell me what you need my pretty little girl  
8 dogs, 8 banjos
