

Get the Party Started

Dick Brave & The Backbeats

I'm comin' up so you better get this party started
I'm comin' up so you better get this party startedGet this party started on a Saturday night
Everybody is waiting for me to arrive
Sendin' out the message to all of my friends
We'll be looking flashy in my Mercedes BenzI'm comin' up so you better get this party started
I'm comin' up so you better get this party startedPull up to the bumper get out of the car
License plate says, stunner number one superstarI'm comin' up so you better get this party started
I'm comin' up so you better get this party startedMaking my connection as I enter the room
Everybody is chilling as I set up the groove
Pumping up the volume with this brand new beat
Everybody is dancing and they're dancing for me
I'm your operator you can call anytime
I'll be your connection to the party lineI'm comin' up so you better get this party started
I'm comin' up so you better get this party started
I'm comin' up so you better get this party started
I'm comin' up so you better get this party startedGet this party started, uuh
Get this party started, right now
Get this party started
Get this party started
Get this party started, right now
