

# Wonderful (Radio Edit)

## Gary Go

The person that you were has died  
You've lost the sparkle in your eyes  
    You fell for life into its traps  
    Now you wanna bridge the gaps  
    Now you wanna bridge the gaps  
Now you want that person backAnd all your ammunition's gone  
    Run out of fuel to carry on  
    You don't know what you wanna do  
    Cause what you want does not want you  
    If what you want does not want you  
And you've got no pull to pull you throughSay "I am"  
    Say "I am"  
    Say "I am wonderful"Say "I am"  
    Say "I am"  
Say "I am wonderful"If what you've lost cannot be found  
    And the weight of the world weighs you down  
    No longer with the will to fly  
    You stop to let it pass you by  
    Don't stop to let it pass you by  
You've gotta look yourself in the eyeSay "I am"  
    Say "I am"  
    Say "I am wonderful"  
    Oh you areSay "I am"  
    Say "I am"  
Say "I am wonderful"Cause we are all miracles  
    Wrapped up in chemicals  
    We are incredible  
    Don't take it for granted, no  
    We are all miracles  
    Oh we areSay "I am"  
    Say "I am"  
    Say "I am wonderful"  
Oh you areDon't take it for granted, no  
    We are all miracles  
    Wrapped up, yeah we're wrapped up  
    Oh we are wonderful
