When I Fall In Love

Maysa

When I fall in love
It will be forever
Or I'll never fall in loveIn a restless world like this is
Love has ended before its begun
And too many moonlight kisses
Seem to cool in the warmth of the sunWhen I give my heart
It will be completely
Or I'll never give my heartAt the moment
I can feel that
You feel the same way too
Is when I fall in love
With you
