

Radio (MTV Unplugged / Edit Version)

The Corrs

Huh yea yeaIt's late at night
And I'm feelin' down
There're couples standin' on the streets
Sharin' summer kisses and silly soundsSo I step inside
Pour a glass of wine
With a full glass and an empty heart
I search for something to occupy my mindBut you are in my head
Swimming forever in my head
Tangled in my dreams
Swimming foreverSo I listen to the radio
(Listen to the radio)
And all the songs we used to know
(Listen to the)
So I listen to the radio
(Listen to the radio)
Remember where we used to goNow it's mornin' light
And it's cold outside
Caught up in a distant dream
I turn and think that you are by my sideSo I leave my bed
And I try to dress
(And I try to dress)
Wondering why my mind plays tricks
And fools me into thinking you are thereBut you're still in my head
(Head)
Just swimming forever in my head
Not lying in my bed
Just swimming foreverSo I listen to the radio
(Listen to the radio)
And all the songs we used to know
(Listen to the)
So I listen to the radio
(Listen to the radio)
Remember where we used to goSo I listen to the radio
(Listen to the radio)
And all the songs we used to know
(Listen to the)
So I listen to the radio
(Listen to the radio)
Remember where we used to goUmm

You are in my head swimming forever So I listen to the radio

(Listen to the radio)

And all the songs we used to know

(Listen to the)

So I listen to the radio

(Listen to the radio)

Remember where we used to go I listen to the radio

(Listen to the radio)

To all the songs we used to know

(Listen to the)

I listen to the radio

(Listen to the radio)

To all the songs, all the songs we used to know Yeah

(Listen to the radio)

(Listen to the)

All the songs we used to know

(Listen to the radio)

Yeah

All the songs we used to know

Yeah
