You Send Me

Steve Miller Band

Darling you send me
Darling you send me, yeah
Darling you send me (Come on baby, come on)
Honest you do (You know it)
Honest you do (Come on, don't be nervous)
Honest you doDarling you move me
Darling you move me, yeah
Darling you move me
Honest you do
Honest you doOh, and at first I thought it was infatuation
But, oh, it's lasted so long
That now I find myself wanting to marry you
And take you homeOh, you send me
Darling you send me
Darling you, you, you send me
Honest you do
Honest you doOh, and at first I thought it was infatuation
But, oh, it's lasted so long
That now I find myself wanting to marry you
And take you homeOh, you move me, yeah
Darling you move me
Darling you move me
Honest you do
Honest you do
