Redemption

Brooke Hogan

They cant stop us
They cant stop us
They cant stop us
They cant stop us
They cant stop us
They cant stop us
They cant stop us
They cant stopThis is my redemption
Nothing left but to forgive you
After all the shit thats happened
My heart is broken my head is confused
But I will, I will keep marchin on
A phoenix rising up to heaven
So I guess I'll see you around
Its the begging a redemptionSo god can you hear me
All my people can you hear me
All my haters can you hear me
You cant stop me oh no no no no
Nothing can stop me
So don't let it stop you
Negativity and hate have tried to take me down
But I rise aboveLike a phoenix rising
I will rise above
Like a poor man crying
I'm gonna change my luck
No one No one can tell you how to live your life
Baby and no one no one could ever phantom all the strife
Yea ohSo god can you hear me
Mom and daddy can you hear me
All my lovers can you hear me
They couldn't stop me oh no no no no
Oh no no no no
Oh no no no no
They cant stop me
They cant stop you
No heySo god can you hear me
All my people can you hear me
All my haters can you hear me
You cant stop me oh no no no noTheres a light at the end of that tunnel

With good vibrations
The happiness, success
Thats whats headed for youYou cant stop me now
st-st-st-stop me now
st-st-st-stop me now
You cant stop me now
st-st-st-stop me now
st-st-st-stop me now
Yea
