

# Inside Looking Out

## The Animals

Sittin' here lonely like a broken man  
Sell my time and do the best I can  
I wasn't boss this around in me  
I don't want your sympathy, yeah Oh baby, oh baby  
I just need your tender lovin'  
To keep me sane in this burnin' oven  
When my time is up, be my rebirth Like Adam's work on God's green earth  
My rebirth, my rebirth  
Baby, yeah it means my rebirth  
Yeah Yeah, yeah, yeah, yeah  
Baby baby baby  
C'mon c'mon c'mon  
Yeah yeah, c'mon, yeah yeah Ice cold waters runnin' in my brain  
They drag me back to work again  
Pains and blisters on my minds and my hands  
From living daily with those canvas bags Thoughts of freedom they are drivin' me wild  
And I'll be happy like a new born child  
We'll be together, girl, you wait and see  
No more walls to keep your love from me Yeah, can't you feel my love  
Baby, baby, need you, squeeze you  
No-body but, nobody but, you girl  
I love you, need you All right  
I said everything's gonna be all right  
And if you don't believe what I say  
Just listen baby and I'll tell you Can't you feel my love  
Can't you see my skill  
Can't you yell my love  
It's getting louder  
It's getting louder  
A little closer, yeah I said baby, I need you, c'mon, squeeze, please  
Lord, I love you, I need you, yeah  
Yeah, right by my side  
I need you here by my side But I can't help it baby  
But, I'll be home soon  
I'll be home soon, yeah  
All right, whoa
