## Hicksville Bombers

Anger Blues

Composer - David J Brown / Hicksville Bombers

I've got my hands on the wheel,  
I've got a grip as hard as steel,  
Voices shouting in my head  
Angry at what's just been said

I'm an angry man going out tonight,  
Angry man looking for a fight,  
An angry man who's gonna have to chose,  
I'm an angry man who keeps seeing red,  
Angry gonna lose his head,  
An angry man who's gonna have to lose  
These anger blues.

I'm eyeing everyone I see,  
I'm cursin' if they look at me,  
I'm gettin' wound up tight,  
I'll end up in a fight.

(Chorus)

It's a sorry state that I'm in,  
It feels as if I just can't win,  
I've got these anger blues  
And I'm gonna blow a fuse

(Chorus)
