Heal Again

Deon Kipping

Don't know about ya'll but I think he can do it again

(Verse)
I know you see what I'm going through
But you see me smiling
I know you think that I should give up
But giving up is not an option

I know you think I'm crazy
Cause I believe He'll save me
I'm not worried no more
Cause I know what He did before

(Chorus)
This isn't the first time
That I've gone through
This isn't the first time
I almost gave up on You
This isn't the first time
That I lost it all
This isn't the first time
I thought You didn't hear my call
This isn't the first time
That I was confused
This isn't the first time
I didn't understand You
This isn't the first time
I thought it was the end
That's how I know that
You can heal again

Again Again Again (2x)

(Verse)
Why do I keep believing
Why do I keep on trusting you
That is what the keep on asking me
Cause they don't know I'm living proof
That You are able
And You are faithful

I'm not worried no more
Cause I know what you did before

(Chorus)
This isn't the first time
That I've gone through
This isn't the first time
I almost gave up on You
This isn't the first time
That I lost it all
This isn't the first time
I thought You didn't hear my call
This isn't the first time
That I was confused
This isn't the first time
I didn't understand You
This isn't the first time
I thought it was the end
That's how I know that
You can heal again

(Bridge)
You did it before
You open the door
You made a way
Every time that I prayed
My struggle before
Now its no more
That's how I know
That You can heal again

I'm stressing
I'm hurting
But I before
I know it's hard to see
I believe
That You can heal again
(Repeat 2x)

You've done it once before
Please heal again Lord (Please heal again)
(Repeat 2x)

Please heal again Lord (Repeat 2x)

Lord please heal again

Please heal again Lord (Repeat 2x)

If He did it before
Please believe He can do it again
