La La Lie

Basia Bulat

Day or night
Friendly or fire
Doesn't feel right to me
I can keep up
Even though I won't feel alright for weeks
Never mind, don't pretend
We know the meaning
Don't look up
Try to keep not to see that I'm leaving
When I say that I don't need help
And I promise I will be fine
Oh, I la-la-lie la-la-lie la-la-lie to myself
Can you look me straight in the eye
There's a story for every time
And you la-la-lie la-la-lie la-la-lie to yourself
Day and night
You need advice
Don't get caught up with me
Burden of proof
I'm not confused
I wasn't even here
Nevermind, don't pretend
We know the meaning
Don't look down
Try to not to see that you're bleeding
You can say that you don't need help
Can you look me straight in the eye
Can you la-la-lie la-la-lie la-la-lie to yourself
I can promise myself tonight
I rehearsed and I know my lines
I can lie lie lie la-la-lie la-la-lie to myself
Oh, I la-la-lie la-la-lie
Keep lying to myself
Can you la-la-lie la-la-lie
Keep lying to yourself
No, I know that I don't need help
There's a story for every time
Oh, I la-la-lie la-la-lie la-la-lie to myself
I can la-la-lie la-la-lie

Keep lying to myself
Can you lie lie lie la-la-lie
Keep lying to yourself?
