

# Miss Being Your Man

## Marques Houston

Day one, you left and I'm officially back up in the game  
And day two, I'm feelin' cocky and I'm out here doin' my thing

I ain't thinkin' 'bout how you walked up out here  
I'm just doin' meThen day three, it hit me, day four, I'm trippin'

Day five, it's killin' me, don't wanna be alive  
Then it hit day six and I had to come to grips

You're gone, a piece of me is missin'Never been in love like I'm in love with you, girl  
I just can't help it

I'm missing what we had, I'm wishing that we was back, girl  
It's getting bad, I really miss being your manI never thought that I'd be without you

I'm tryin' to be, be a man about it

I'm missing what we had, I'm wishing that we was back, girl

I really, really miss, I really miss being your manWeek two, I called you 20 times but you still ain't picked up  
Week three, just playin' mad and now you left my house in days

Now all I think about is how you walked up out here

Something's gotta giveI ain't even bathed, need a cut, need a shave  
If I don't get my babe, I'll go all the way crazyIt's been long enough, girl, I give up  
It's getting kinda rough, girl, I give up

I gotta get back with youNever been in love like I'm in love with you, girl  
I just can't help it

I'm missing what we had, I'm wishing that we was back, girl

It's getting bad, I really miss being your manI never thought that I'd be without you  
I'm tryin' to be, be a man about it

I'm missing what we had, I'm wishing that we was back, girl

I really, really miss, I really miss being your manToday was the worst day, I'm admitting I can't do this without  
you

And girl when you get this message

Hopefully, you'll take me back to the last fight

I'll make it right, I don't wanna miss no moreNever been in love like I'm in love with you, girl  
I just can't help it

I'm missing what we had, I'm wishing that we was back, girl

It's getting bad, I really miss being your manI never thought that I'd be without you  
I'm tryin' to be, be a man about it

I'm missing what we had, I'm wishing that we was back, girl

I really, really miss, I really miss being your man
