I Swear

Boyz II Men

I swear by the moon and the star in the sky
And I swear like the shadow that's by your sideI see the questions in your eyes
I know what's weighing on your mind
You can be sure I know my part
Cause I'll stand beside you through the yearsYou'll only cry those happy tears
And though I'll make mistakes
I'll never break your heartAnd I swear by the moon and the stars in the sky
I'll be there
I swear like the shadow that's by your side
I'll be thereFor better or worse till death do us part
I'll love you with every beat of my heart
And I'll swear
Uhh, uuh, uhhI'll give you everything I can
I'll build your dreams with these two hands
We'll hang some memories on the wallsAnd when just the two of us are there
You wont have to ask if I still care
Cause as the time turns the page
My love won't age at allAnd I swear by the moon and the stars in the sky
I'll be there
I swear
Like the shadow thats by your side
I'll be thereFor better or worse, till death do us part
I'll love you with every beat of my heart
I swearI swear by the moon and the stars in the sky
I'll be there
I swear
Like the shadow thats by your side
I'll be thereFor better or worse, till death do us part
I'll love you with every single beat of my heart
I swear, uhh
I, I, I swear
