

All Things Unfinished

RF7

Two weeks of Morphine
four times a day
Iâ€™m in the hospital
and I want to stay
Woke up this morning
head startinâ€™ to clear
Ring for the nurse
and my thoughts disappear

All things unfinished
Fire in the basement
Iâ€™m in my room
My medication
Gonna kick in soon
Donâ€™t mind the burning
The shape Iâ€™m in
My morphine bottle
Is my only friend

All things unfinished

I gotta to check out
But I donâ€™t wanna go
My light is on
But itâ€™s burning low
My head is spinning
What can I say
No vicodin gonna
Keep me at bay
