Set It Off

Young Gunz

Wooo!
Swizzie! Young, Young Gunnaz
Hey! Man I don't know what they talking about man I just know that
Let's go!
It's time to set it off, it's time to set it off
It's time to set it off, it's time to set it off
See the chick over there, she wanna set it off
See homie over here, he wanna set it off
It's time to set it off, it's time to set it off
It's time to set it off, it's time to set it off, hey!
Yessuh! Y'all know who the next up
Hopping out them thangs wit the fresh cuts, fresh
Watch right, nice bright, fin to do the rest up
This that knock, wit Swizz and the Gunnaz connect up
Big homie president, y'all can hang the rest up
Still on the block, 'cause artists we get the less cut
Bail money to the side, just in case I mess up
Y'all can either ride or roll over if ya left us
Catch up, never that, this team never slack
You rather that, ahead of that don't know a homie better
That can do it how we do it, it's that Roc-A-Fella music
Gotta move 'em, we gon' do it, long as we keep improving
Look it's time to set it off, the drama set it off
I see you when I see you, then I'm a let it off
It's time to set it off, it's time to set it off
It's time to set it off, it's time to set it off
See the chick over there, she wanna set it off
See homie over here, he wanna set it off
It's time to set it off, it's time to set it off
It's time to set it off, it's time to set it off, hey!
Ain't no slang like that east coast slang
Them east coast boys hit the road wit the
Switching lanes, snatch up your dame
Drop 100 cash on the chain
Still bring the pain wit them thangs
And them hollows to the tizzop
Coming to holla through haters blizzock

You goddamn right so have that money right

And we don't mess wit the funny type
Fake ass pimps like Money Mike
We get it cracking, fully loaded the magnum
If you jump up in this wagon then you know what'll happen
And we ain't trying to see the law
The system knocking, enforcers popping
Trying to see a broad
We trying to see them girls when
It's time to set it off, it's time to set it off
It's time to set it off, it's time to set it off
See the chick over there, she wanna set it off
See homie over here, he wanna set it off
It's time to set it off, it's time to set it off
It's time to set it off, it's time to set it off, hey!
Yessuh! It's me, N E double to F up
Young Gunz indeed, double your bets up
We double them tecs up, we silence the violence
You if you messed up, you ain't gon' stress us
Ain't worried bout you weirdos, your heroes, wannabe De Niro's
Till that thing get sinked wit them air holes
We dumb nice, missed the price, hurry set it up
Got this thing on smash, be damned if we letting up
Keep on asking where we going, known to be smarter
Decision been made that we rolling wit Coach Carter
Beat start rocking and rocker keep rocking
If that semi jam up that glock'll keep popping
It ain't hard to find us, right down on [Incomprehensible]
You should ever have a problem, north is where you'll find 'em when
It's time to set it off, it's time to set it off
It's time to set it off, it's time to set it off
See the chick over there, she wanna set it off
See homie over here, he wanna set it off
It's time to set it off, it's time to set it off
It's time to set it off, it's time to set it off, hey!
