Get Off My Back

The Casualties

You wanna take control of me I won't let you do it
You say you know what's best for me
I'm gonna make you prove it

Your always complaining at me
Get off my back
Why won't you just let me be?
Get off my back

Tell me this and tell me that
But I've heard it all before
You still bitch my back is turned
I'm walking out the door

Your always complaining at me
Get off my back
Why won't you just let me be?
Get off my back

Your always bitching all the time
You want my time you know it's mine
Your always jumping on my back
Just let me be myself

I talk and talk you won't listen
Your stubborn as a wall
You always bitch you make me nuts
I'm gonna take a fall

Your always complaining at me
Get off my back
Why won't you just let me be?
Get off my back

You wanna take control of me so I won't let you do it
You say you know what's best for me
I'm gonna make you prove it

Your always complaining at me
Get off my back

Why won't you just let me be?
Get off my back

Your always bitching all the time
You want my time you know it's mine
Your always jumping on my back
Just let me be myself

Hey Hey!
Hey Hey!
Hey Hey!
Hey Hey!

Your always complaining at me
Get off my back
Why won't you just let me be?
Get off my back

You wanna take control of me
I'm gonna let you do it (no)
You say you know whats best for me
I'm gonna make you prove it

Your always complaining at me
Get off my back
Why won't you just let me be?
Get off my back

Your always bitching all the time
You want my time you know it's mine
Your always jumping on my back
Just let me be myself
