

# 50 Ways to Say Goodbye

## Train

My heart was paralyzed  
My head was over-sized  
I'll take the high road like I should You said, "it's meant to be,"  
That "it's not you it's me."  
You're leaving now for my own good  
That's cool but if my friends ask where you are I'm gonna say She went down in an airplane  
Fried getting sun tanned  
Fell in a cement mixer full of quicksand  
Help me, help me, I'm no good at goodbyes, She met a shark under water  
Fell and no one caught her  
I returned everything I ever bought her  
Help me, help me, I'm all out of lies  
And ways to say you died My pride still feels the sting  
You were my everything  
Someday I'll find a love like yours She'll think I'm Superman  
Not Super Minivan  
How could you leave on Yom Kippur?  
That's cool but if my friends ask where you are I'm gonna say She was caught in a mudslide  
Eaten by a lion  
Got run over by a crappy purple Scion  
Help me, help me, I'm no good at goodbyes She dried up in the desert  
Drowned in the hot tub  
Danced to death at an East Side nightclub  
Help me, help me, I'm all out of lies  
And ways to say you died I want to live a thousand lives with you  
I want to be the one you're dying to love  
But you don't want to That's cool but if my friends ask where you are I'm gonna say  
That's cool but if my friends ask where you are I'm gonna say She went down in an airplane  
Fried getting sun tanned  
Fell in a cement mixer full of quicksand  
Help me, help me, I'm no good at goodbyes She met a shark under water  
Fell and no one caught her  
I returned everything I ever bought her  
Help me, help me, I'm all out of lies She was caught in a mudslide  
Eaten by a lion  
Got run over by a crappy purple Scion  
Help me, help me, I'm no good at goodbyes She dried up in the desert  
Drowned in the hot tub  
Danced to death at an East Side nightclub

Help me, help me, I'm all out of lies  
And ways to say you died
