End Of The Night

Smith Westerns

We had fun
We didn't know what time it was
Close your eyes, oh girl
Then I'll stay closeDon't know why
Sun's up in the sky
Close your eyes, oh girl
Then I'll stay closeEverybody wants to be a star on a saturday night
Come with me baby and your eyes shine the sunlightOoh, it's the end of the night, it's the end of the night
Are you gonna go home?
Ooh, it's the end of the night, it's the end of the night
Are you gonna go home?Fell asleep
And now words are too cheap
Close your eyes, oh girl
Then I'll stay closeDon't you care?
You feel the sunlight warm your hair
Close your eyes, oh girl
Then I'll stay closeEverybody wants to be a star on the saturday night
Come with me baby and your eyes shine the sunlightOoh, it's the end of the night, it's the end of the night
Are you gonna go home?
Ooh, it's the end of the night, it's the end of the night
Are you gonna go home?
