Dangerous

Lars Brundin

Dangerous Music and Lyrics by Lars Brundin

I saw a picture of myself today
A man with a gun on the front page

Yeah Iâ€™m dangerous
ItÂ´s getting serious
Iâ€™m dangerous
You better know- Iâ€™m dangerous

SheÂ´s walking tall with a smile on her face
SheÂ´s perfectly dressed for the big race
I donÂ´t understand what I did wrong
Just sing for you - another song

I`m walking the shadows- never the light
When the sun goes up - IÂ´m going down
I walk you home â€“ you said no
Not so impressed-with the man you saw
