

I Just Can't Wait

D'Sound

I'm all set tonight
I'm on the 917 flight
A lot of fun in store
And I don't think I can wait no more
I just can't wait
to get into the city
to meet up with my baby
and have a good time
I just can't wait
to get into the city
to meet up with my baby tonight
The runway lights shine
And we are just in time
I've never felt so sure
And I don't think I can wait no more
In the electric night
my baby feels like I
Heads and hearts spinning 'round
when we go out together
That's why I waste no time
I've got him on my mind
Don't need no plane to fly;
tonight we're gonna fly with our souls
