

Out of My Mind

Wiretree

everybody get by
don't you know i'll
keep my eye on you

i don't know why
...gonna find out
but i don't have a clue

don't let them in
in a foreign town, they'll walk, walk over you

hope you get back
try to keep from falling, falling apart

oh, oh

down on your part
i hope i
can make it past my age

where can i start
to make better
before it's too late

iâ€™ll take my time
you know iâ€™ll need it
to keep my mind at ease

I donâ€™t know how
iâ€™m gonna make it
make with my disease

oh, oh

i've been out of my head
for a long long time

i'm over here
keep from breaking my mind

(bridge)

and when i come down
Iâ€™ll make sure I bring the weather
Iâ€™ll keep you close.. to my heart

Iâ€™m making my way
to a place under the ocean

Iâ€™ll have my friends
to give me some air
