

Trying to Make a Fool of Me

The Delfonics

We've been together for so long
Listen baby, I'm gonna love you right or wrong, hey
Don't fence me out 'cause I love you so
And I never want, want to let you go But you keep trying to make a fool of me
Trying to make a fool of me, trying to make a fool of me
Trying to make a fool of me
You keep trying, trying, trying, trying, trying, oh yeah Our love was done before it starts
Listen baby, you think that you are having fun, hey
Somehow I know, when you hurt me so
Sooner or later going to let me go And you keep trying to make a fool of me
Trying to make a fool of me, trying to make a fool of me
Trying to make a fool of me
You keep trying, trying, trying, trying, trying, oh yeah Somehow I know, when you hurt me so
Sooner or later going to let me go And you keep trying to make a fool of me
Trying to make a fool of me, trying to make a fool of me
Trying to make a fool of me, trying to make a fool of me
Trying to make a fool of me, trying to make a fool of me
Trying to make a fool of me, trying to make a fool of me
