## Luv N' Haight

## **Sly & The Family Stone**

Feel so good inside myself don't want to move
Feel so good inside myself don't need to move
As I grow up I'm growing down, and when I'm lost
I know I will be found
Feel so good don't want to move
Feel so good inside myself
Don't need to move

I

Feel so good inside myself, don't want to move

Feel so good inside myself
Don't want to move
Another place, another time and when I realize
I'm still all mine

I I

Yeh I I feel

I feel so good

Want to move, want to move, feel so good, want to move Feel so good, want to move,

Feel so good inside myself don't want to move Feel so good inside myself, don't need to move Don't want to move feel so good inside myself, don't want to move

Feel so good, feel so good don't want to move Feel so good inside myself, don't need to move

Want to move, feel so good, can not move, feel so good, can not move

Don't need to move, I feel so good don't need to move

Don't need to move, don't want to move

Feel so good, feel so good, I want to move, I want to move

Feel so good, feel so good, I want to move, I want to move

Feel so good, feel so good, I want to move, I want to move

Feel so good, feel so good, I want to move, I want to move

Feel so good, feel so good, I want to move, I want to move

Feel so good, feel so good, I want to move, I want to move

Feel so good, I want to move, I want to move
