

# Seven Deadly Sins

## Flogging Molly

Sail away where no ball and chain  
Can keep us from the roarin' waves  
Together undivided  
But forever we'll be free So sail away aboard our rig  
The moon is full and so are we  
Seven drunken pirates  
We're the seven deadly sins So the years rolled by and several died  
And left us somewhat reelin'  
Johnny strummed his Tommy gun  
Left blastin' through the ceiling What became of rebels  
Who sang for you and me?  
Grapplin' with their demons  
In the search for liberty Sufferers who suffer all  
Can swim upon the desert  
Avarice has ravaged all  
In spite of good intentions Don't fill your mouth with gluttony  
For pride will surely swell  
But nothing's unforgevin  
In the four corners of Hell So sail away where no ball and chain  
Can keep us from the roarin' waves  
Together undivided  
But forever we'll be free Sail away aboard our rig  
The moon is full and so are we  
Seven drunken pirates  
We're the seven deadly sins  
Seven drunken pirates  
We're the seven deadly sins I envy and it's evil twin  
It crept in bed with slander  
Idiots, they gave advice  
Both sloth it gave no answer Anger kills the human soul  
With bitter tales of lust  
While Pavlov's dogs keep chewin'  
On the legs they never trust Oh, sail away where no ball and chain  
Can keep us from the roarin' waves  
Together undivided  
But forever we'll be free Sail away aboard our rig  
The moon is full and so are we  
Seven drunken pirates  
We're the seven deadly sins

We're seven drunken pirates  
We're the seven deadly sins But it's the only life we'll know  
Blagards to the bone  
So don't wreck yourself, take an honest grip  
For there's more tales beyond the shore Ah, the years rolled by and several died  
And left us somewhat reelin'  
In and out came crawlin' out  
And spewed upon the ceiling What became of rebels?  
That sang for you and me  
Grapplin' with their demons  
In the search for liberty Sail away where no ball and chain  
Can keep us from the roarin' waves  
Together undivided  
But forever we'll be free Sail away aboard our rig  
The moon is full and so are we  
Seven drunken pirates  
We're the seven deadly sins Sail away where no ball and chain  
Can keep us from the roarin' waves  
Together undivided  
But forever we'll be free Sail away aboard our rig  
The moon is full and so are we  
Seven drunken pirates  
We're the seven deadly sins Seven drunken pirates  
We're the seven deadly sins  
Seven drunken pirates  
We're the seven deadly sins
