Only for Tonight

The Sunstreak

i saw you walking in though the doorway
with two of your girlfriends by your side
i know the moment that our eyes met
to tr to resist would be a crime,
and all i really know is

i wanna take you home with me tonight
i wanna make you feel all the ways
you wanna feel all night long
i wanna lay you down in the candlelight
until the sun comes up
baby we can take our time
but only for tonight

i know that you feel the same way that i do
i promise that you won't be ashamed
but baby if you just let me seduce you
then maybe i'll let you know my name

stay with me, oh won't you lay with me
play the game with me
and maybe you will see that its alright
