

# Mr. Policeman

Brad Paisley

Well, hey, hey, Mr. Policeman  
Bet I can drive faster than you can  
Come on hoss, let's have some fun  
Go on shoot me with your radar gun  
You look bored and I sure am  
Catch me if you canHey, hey, Mr. Policeman  
I got a '75 Firebird Trans Am  
With a 455 up under the hood  
Me and my brother got it runnin' good  
Wake up behind them old Ray Bans  
Catch me if you canGo on, turn on your blue lights, so pretty  
You know you want to, I just flew by  
I can see you peelin' out  
How's my dust taste in your mouth?  
Come on Smokey, it's time to race  
Let's have us a high speed chaseWell, hey, hey Mr. Policeman  
Chopper in the air and a couple of SWAT vans  
That's no fair now, blockin' the road  
Where am I supposed to go?  
Time to use my backup plan  
Catch me if you canHey, hey Mr. Policeman  
I bet I can run faster than you can  
With your big pot belly and your cowboy boots  
A hundred bucks says you won't shoot  
I know these woods like the back of my hand  
Catch me if you canGo on, turn on your spotlight, so shiny  
I got runnin' shoes and I'm younger than you  
And I got all night  
There's no way you're keepin' up with me  
Just go on back to Krispy Kreme  
If you wanna quit, I understand  
Catch me if you canHey, hey Mr. Policeman  
I said, hey, hey, Mr. PolicemanI'm in the jail house now  
I'm in the jail house now  
They told me once or twice  
"Son, respect my authority"  
I'm in the jail house now
