Help Me Find It

Sidewalk Prophets

I don't know where to go from here
It all used to seem so clear
I'm finding I can't do this on my own
I don't know where to go from here
As long as I know that You are near
I'm done fighting, I'm finally letting go
I will trust in You
You've never failed before
I will trust in You
If there's a road I should walk
Help me find it if I need to be still
Give me peace for the moment
Whatever Your will, whatever Your will
Can you help me find it?
Can you help me find it?
I'm giving You fear and You give faith
I giving you doubt, You give me grace
For every step I've never been alone
Even when it hurts, You'll have Your way
Even in the valley I will say
With every breath, You've never let me go

I will wait for You
You've never failed before
I will wait for You
If there's a road I should walk
Help me find it if I need to be still
Give me peace for the moment
Whatever Your will, whatever Your will
Can you help me find it?
Can you help me find it?
I lift my empty hands
(Come fill me up again)
Have Your way my King
(I give my all to You)
I lift my eyes again
(Was blind but now I see)
'Cause You are all I need
If there's a road I should walk

Help me find it if I need to be still
Give me peace for the moment
Whatever Your will, whatever Your will
Can you help me find it?
Can you help me find it?
