

I Can't Stop

Will Smith

Yo, get off, get off me
Uh uh uh uh uh uh uh
I can't stop, da da da da da da da
I can't stop, da da da da da da da
I can't stop, da da da da da da da
Yo, get your hands off me, stop tryin' to hold me down
Let me just move around, girl, somethin' done happened to me
Swear to God, somethin' done snapped in me
I need the whole floor for us
I'm 'bout to bust mommy and it's glorious
I can't seem to stop my feet, you hear my heart beat
Digga digga digga digga digga digga
Oh Lord, I'm about to pass out, but when the night is over
I'ma be the last out, sweat pourin' in my eyes, vision blurry
Even though my eyes is closed, I see visions of her
Uma siente mama in me coca
Estoy bien livin' la vida loca
Heart jumpin' and pumpin', it's about to pop
But don't tell me nothin', back up
I can't stop, da da da da da da da
I can't stop, da da da da da da da
I can't stop, da da da da da da da
The way you press against me, you messin' with me
The way that dress is fittin', has got to be forbidden
No reason for security, ma I'm feelin' secure
You guardin' my body, baby, come on and give me some more
If all these people wasn't in here fuckin' around
I'd have you in the middle of the floor, baby, knockin' you down
They'd be talkin' about me when they walk in the house hammers like
Click, click, click, gizza, gizza, gizza
A damn shame how you do the damn thing
Girl, you off the damn chain, but you're about to be tamed
Look at ya, laughin' and grinnin' and dancin' and spinnin'
It wasn't my intention but you got be bridging my linen, come on
Call me a doctor, get me a respirator
Look into my eyes, mom the pressure is rapidly rising
Arm around my neck and leg all around my thigh
I feel like X when you next to me, gettin' me high
Dancin' honey that's how I like to play

I'll be Patrick Swayze, you be Jennifer Grey
High heel stiletto, sexy, straight out the ghetto

She fire, it's like I'm dancin' with the Devil's tail

Uma siente mama in me coca

Estoy bien livin' la vida loca

Heart jumpin' and pumpin', it's about to pop

But don't tell me nothin', back up

I can't stop, baby, don't hold me back

(Can't stop, don't stop)

I can't stop, baby, don't hold me back

(Can't stop, don't stop)

I can't stop, baby, don't hold me back

(Can't stop, don't stop)

I can't stop

Uh, uh, make it hot, momma, yeah, yeah, it's like that

Let me see you work, uh, uh, yeah, yeah, it's like that, baby

Yo, yo, lemme see you work, lemme see you work

Yo, it's like a dream or a TV show, a cinema scene

Brotha only dancin' lombada, people treatin' me mean

Why they be flippin' and trippin' on me, chasin' me down?

Rippin' on me, racin' around, disgracin' the sound

Got me on the run, runnin' for havin' fun

The way they come and attackin', they act like I had a gun

Cops give me room, stop tryin' to give me doom, they got me like

I don't care who it is, I ain't stoppin' for helicopters

I ain't no fugitive, Bonnie and Clyde alive, it's me and my shorty

Get in front of me, I don't wanna hurt nobody

Uma siente mama in me coca

Estoy bien livin' la vida loca

Heart pumpin' and jumpin', it's about to pop

Suckers, don't you come no closer, back up

I can't stop, baby, don't hold me back

(Can't stop, don't stop)

I can't stop, baby, don't hold me back

(Can't stop, don't stop)

I can't stop, baby, don't hold me back

(Can't stop, don't stop)

I can't stop, baby, don't hold me back

(Can't stop, don't stop)

I can't stop, baby, don't hold me back

(Can't stop, don't stop)

I can't stop, baby, don't hold me back

(Can't stop, don't stop)

I can't stop
